

# Big Hero 6

(Disney, 2014)

About 16 minutes in, Fred explains to the group that he hasn't done laundry in 6 months. He then explains how one pair of underwear lasts him 4 days. Wasabi's cheeks puff up, covers his mouth with his fist, and he makes a noise like he's about to be s\*. This overlaps Fred talking. However it is very brief, only a second and nothing comes of it. I would plug your ears about Fred says "I go inside out" and unplug them after Tadashi says "wow."
