

8 Bit Christmas

(New Line Cinema, 2021)

Around 27 minutes in Mikey says it's good Evan wasn't there because he would have t*u*. Evan responds using the same triggering words.

A trigger word is written on a chalkboard at one point.

Around 1 hour and 8 minutes in, Jake asks Evan how he's feeling and Evan says not good and the moment before is shown here.

Around 1 hour and 11 minutes in, **be ready**. There is a graphic v* scene. Audio and visual. It happens twice in this scene, then again shortly after at 1 hour and 14 minutes, and then another time around 1 hour and 16 minutes. Honestly just skip to over 1 hour and 17 minutes to be safe.
