

Cloudy With A Chance of Meatballs

(Sony Animation, 2009)

Not sure of the time in the movie, I think towards the end, but Manny is unconscious and gets checked by a doctor. The doctor says he is in a food coma, but is able to wake him up with celery. Manny coughs when he comes to. When Officer Earl hugs him, he v*s over his shoulder. No visual but there is audio and Manny looks s* afterwards.
