

# Despicable Me 3

(Illumination, 2017)

About 59 minutes in when Gru and Dru break into the giant Rubik's Cube, Dru falls on top of Gru. He says that his "stomach feels all q\*." And sounds like he isn't feeling well.

A few minutes later, Dru tries some gum but it expands inside his mouth and he covers his mouth with his hands. When Gru gets the gum out, Dru kind of g\*s and a few seconds later spits out some more gum. Later, Bratt calls Gru a b\* bag.
