

Ghosts of Girlfriends Past

(New Line Cinema, 2009)

At the second flashback that the ghost brings Connor to, teenage Jenny goes to dance with another guy. The ghost starts to choke in the background behind Connor. The noises could be triggering.

A few minutes later Connor is in the car with his uncle and talking about how Jenny had her first kiss. He says he feels like someone has punched him straight in the stomach and feels like he is going to t*u*.

A few minutes after that, Connor and his uncle cheers drinks. Connor takes a sip and immediately spits it out, the noise here could be triggering.
