

Clueless

(Paramount, 1995)

About 37-ish minutes into the movie after Tai gets hit on the head with a shoe. A character v*s and there is visual and some audio. About 39 minutes in, the characters leave the party and the rest of the movie is safe.

About 1 hour and 17 minutes in after Cher and Tai have a little fight, Tai leaves and Cher says she can feel the c*s rising in her throat. But nothing happens.
