

# Cheaper by the Dozen

(Twentieth Century Fox, 2003)

Tom is in the kitchen and the house is in chaos. Sarah is emptying the dishwasher and sees her brother's athletic cup. She throws it and it lands in some tomato sauce. One of the boy twins comes into the room and thinks the sauce is blood. He says, "is that blood?" And before Tom can tell him otherwise, he leans over and v\*s. Then Henry comes downstairs and falls in the v\*. Then he v\*s too.

I would suggest avoiding this scene altogether.
