

Lilo & Stitch 2: Stitch Has a Glitch

(Disney, 2005)

About 15 and a half minutes in, Nani brings out some Sci-Fi snacks. She first shows the deep-fried marsh cockroach and takes a bite. Pleakley says “I think I’m going to t*u*.” But nothing comes of it. Then we see Stitch eating something while Lilo looks upset. He notices her and then takes a cockroach out of his throat to give to her, the noise here could be triggering.
