

10 Things I Hate About You

(Touchstone Pictures, 1999)

About 50 minutes and 20 seconds in, Patrick and Kat are on swings. She starts to fall asleep and he quickly wakes her up. When she opens her eyes again she says “hey...your eyes have a little green in them.” Patrick laughs a little and then she v*s. You can’t see anything because of her long hair but there is audio. It ends around 50 minutes and 49 seconds, so I would plug your ears after Patrick wakes her up and unplug them when the scene changes to Joey and Bianca. Around 1 hour and 2 minutes, Patrick asks Kat what he did have an effect on and she replies by saying “other than my u*c* reflexes... nothing!”

Around 1 hour and 30 minutes in during her poem Kat says “makes me s*.”
