

# It Chapter 2

(Warner Brothers, 2019)

This was submitted.

“Around 12 minutes and 55 seconds in the movie, it takes place right after Eddie gets into a car accident. There is a scene when Bill gets in contact with the rest of the Losers Club. When he calls Richie, Richie is seen running out of a door and leaning over a railing to v\*. The camera is angled below the railing so the v\* is seen visually coming at the screen and out of his mouth. He g\*s twice as more v\* is shown and heard. There is very little set up or warning that this is going to happen. It lasts until about 13 minutes and 40 seconds into the movie. After this takes place, Richie is seen wiping his mouth with a cloth and he asks his manager for a mint.

There is also a mention of when he v\*ed around 31 minutes and 20 seconds. The characters are sitting around a table at a restaurant. He recalls the incident and there is plenty of triggering speech in his sentences.”
