

# Love the Coopers

(Lionsgate 2015)

Towards the beginning of the movie, when we are introduced to Ruby and Bucky in the diner, there is a *very* sudden clip with visual and audio, without warning. The clip itself is only a couple seconds but it is clearly seen. Ruby says “How about Wednesday’s? Or Thursday’s hash browns?” Then a customer talks to her. Close your eyes after the customer talks and wait until Bucky says, “Believe me I understand”.
