

6 Balloons

(Netflix, 2018)

This was submitted.

This movie includes drug related issues. At 27 minutes and 23 seconds, the scene leads up by showing images of a little girl in a car with a flashback of the good times she had with her dad. The scene cuts to the mother yelling to a nurse briefly before the girl looks over to her father, having visible abdominal pain and groaning and coughing. Eventually, the mother asks where the bathroom is as he runs out of the room g*ing while running with the mother and daughter following behind. He runs outside only to be seen and heard v*ing and g*ing. Scene ends around 30 minutes and 48 seconds.
