

Avengers: Age of Ultron

(Marvel, 2015)

There is no v* in this movie but around 1 hour and 47 minutes in, after Captain America saves the woman and Thor puts the car down, a man comes out of the car and makes some triggering noises.

Earlier in the movie, around 46 minutes in, when Ultron is facing off with Iron Man, Thor, and Captain America he mentions that he can't t*u*.
