

Airplane!

(Paramount, 1980)

This was submitted.

Right after a man says “I shouldn’t have had that second cup of coffee” there are two audio triggers. Immediately after a woman says “Jim never v*s at home.”

The say s* a fair amount in the following scenes.

There is a visual trigger as doctor is describing symptoms from captain.

Short scene after “and don’t call me Shirley” where nun is singing

RESPECT and man does audio/visual trigger.
