

Big Daddy

(Columbia Pictures, 1999)

About 28 minutes in, after Julian wakes up from his nap he hops around to the Kangaroo song. Sonny says he can't take it then asks if Julian is all hopped out. Julian v*s and there is audio and visual. I would skip from when he starts the kangaroo song to when Sonny and Julian are outside.

A few minutes later, when Sonny goes to social services he says he has made a big mistake. He then says "the kid wont stop peeing and t*ing u*."
