

# Independence Day

(20th Century FOX, 1996)

About 50 minutes in, a family is driving in an RV and one of the kids says that they feel s\*. They pull over and he v\*s but it's from far away and pretty hard to hear, aside from some coughing. Just skip ahead a tiny bit to when the President in on the plane.

About 1 hour and 3 minutes in, David has an air s\* bag. He leaves before anything happens and Constance mentions him getting air s\*.
