

Finch

(Apple TV+, 2021)

Around 50 minutes in Finch starts coughing and pulls up to an old Big Boy restaurant. He goes in and coughs a lot more, including coughing blood. The sounds and visual could be triggering. It is brief.

Around 1 hour and 3 minutes in, Finch v*s off screen. There is quick audio.

Around 1 hour and 37 minutes in, Finch coughs really hard and there is blood again.
