

The Hunger Games: Catching Fire

(Lionsgate, 2013)

Around 27 minutes in, someone hands Peeta a drink and says “it’s for when you’re full, it makes you s*.”

After Katniss, Peeta, and Haymitch are on an elevator with Johanna taking her clothes off, the scene jumps to Katniss and Peeta walking into training and someone is seen getting s*. It’s from far away and very brief.
